

SCHOOL OF MEDICINE
ARISTOTLE UNIVERSITY
OF THESSALONIKI

2nd VascAgeNet Training School
«Vascular Ageing: Assessment Methods and Clinical Aspects»
(COST Action 18216 | Network for Research in Vascular Ageing)

Teloglion Foundation of ARTS, Aristotle University of Thessaloniki

Thessaloniki, 16-18 May 2022

	May 16th	May 17th	May 18th
9.00 - 9.30		The role of inflammation and immune activation in vascular and end organ damage in cardiovascular diseases - Prof. Gkaliagkousi	Endothelial function in vascular ageing and beyond - Dr. Lebedeva
9.30 - 10.00		Types of clinical studies - Prof. Doumas	Social media and communication - Dr. Park
10.00 - 10.30			
10.30 - 11.00		break	break
11.00 - 11.30		Fetal life and childhood: influence in grown-up vascular age - Dr. Mintziori	What is a biomarker? its development and validation - Dr. Bianchini
11.30 - 12.00		Exercise and vascular function - Prof. Dipla	Clinical scenarios in which diagnosis/treatment were guided by biomarkers of vascular aging - Dr. Terentes-Printzios
12.00 - 12.30			
12.30 - 13.00		Renal diseases and vascular ageing - Prof. Pucci	Mentoring session- Dr. Guala
13.00 - 13.30		lunch	ending remarks
13.30 - 14.00	Meet the attendees- Prof. Triantafyllou		
14.00 - 14.30		Circulating biomarkers of vascular ageing - Prof. Gopčević	
14.30 - 15.00	Degenerative diseases of the large arteries - Prof. Rodriguez-Palomares	Novel biochemical biomarkers of endothelial function and thromboinflammation - Dr. Gavrilaki	
15.00 - 15.30			
15.30 - 16.00	Computed tomography and calcium score: technique and clinical significance - Dr. Guala	How to read a metanalysis- Prof. Jeronic	
16.00 - 16.30	break	Obesity and vascular ageing - Dr. Königstein	
16.30 - 17.00		break	
17.00 - 17.30	Applied missing data management in clinical research - Dr. Deraz		
17.30 - 18.00		Pharmacological interventions aiming at improving vascular function- Prof. Bruno	
17.30 - 18.00	Hypertension - Prof. Protogerou		
18.00 - 18.30		Nutrition and arterial function - Prof. Mozos	
18.30 - 19.00	Rheumatologic Diseases and arterial stiffness - Dr. Anyfanti	Sex and gender in vascular ageing - Prof. Lønnebakken	
19.30 - 20.00	Retinal circulation - Prof. Triantafyllou		
		social event	

Organizing committee:

Andrea Guala (VascAgeNet Training Coordinator),
 Areti Triantafyllou, Eugenia Gkaliagkousi (local organizers)
 Christopher C. Mayer (VascAgeNet Chair)
 Rosa Maria Bruno, Giacomo Pucci, Rachel Climie, Ana Jeronic and the VascAgeNet CORE Group
 Local committee: Antonios Lasaridis, Vasileios Gkolias, Stamatina Lamprou, Anastasia Maliora
